

UNIVERSITY SUPPLY AGREEMENT

Computers

The agreement is provided through a Nova Scotia Provincial Agreement that is made available to all public sector entities.

A public sector entity means any provincial government or provincially funded entity in Nova Scotia, New Brunswick, PEI, and Newfoundland and Labrador, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations.

As a public sector entity, there is an expectation by the University that departments will support this collaboration and participate in the agreement.
